ORDER RENOTING MOTION FOR
ATTORNEY'S FEES AND COSTS

13 On June 6, 2017, plaintiffs filed their "Motion for Award of Attorneys' Fees and
14 Reimbursement of Litigation Costs" in the above-captioned matter. Dkt. # 192. The motion was
15 noted on the Court's calendar for consideration on June 23, 2017. Objections to the fee petition
16 had to be postmarked, at the earliest, thirty days after Settlement Notices were sent out, which
17 was approximately the note date. Dkt. # 191 at ¶ 13. Class members were advised to mail
18 objections to the Settlement Administrator. Dkt. # 188 at 34-35. If objections were raised, the
19 parties are to apprise the Court at the fairness hearing. Dkt. # 188 at 19. The request for fees and
20 costs will therefore be considered at the Final Approval Hearing scheduled for October 19, 2017.
21 The Clerk of Court is directed to renote Dkt. # 192 on the Court's calendar for that date.
